On-going regular activities 2026-2027 –

Little Hearts – Our weekly playgroup for families in the community.

Mrs Palmer – Our Art specialist volunteer who enriches this area of the curriculum. Children in all classes have access to art teaching with her in small groups to produce work towards a whole school project.

Dance performances every half term in each class. Each class has a half term of PE with a dance specialist at the end of the 6 weeks the class perform for parents/carers.

WVA afterschool clubs / holiday clubs. Every night children have the opportunity to access a range of different clubs.

Singing. Amy Howe from Leeds Diocese singing programme provides weekly singing lessons for all children from Year 1- Year 6.

Singing Club

We are part of the local sports leagues and children in KS2 have regular opportunities to compete in many sports such as football, tag rugby, hockey and rounders.

We join the local cross-country running league and children have the opportunity to represent the school every week.

Year 6 Sports leaders – These children run and organise a range of activities for younger children across the school.

Year 6 – Reception buddy system. All children in Year 6 are assigned a Reception buddy to look out for and support throughout their first year in school.

Year 6 lunch time clubs - a range of activities led by our Y6 children. Children from vulnerable groups attend on an 'opt out' basis.
